

Bowness-on-Solway Primary School Newsletter

www.bowness-on-solway.cumbria.sch.uk

Friday 14th January 2022

After School Clubs - £5.50 per child per session.

These are now up and running and have been a great success so far!

Mondays: football. Tuesdays: hockey. Wednesdays: crafts. Thursdays: Spanish.

Children can be collected when the club finishes at 16:15 or they can stay at school on a childcare basis up until 17:00. A snack is provided.

Please note that we need to know in advance of the day if your child will be attending, in order for us to plan staffing and resources. Thank you.

Clubs**

CUFC Match

We are looking forward to taking children from Key Stage 2 to watch the Carlisle United vs. Sutton United game on Saturday 29th January. Those who applied for a ticket should have received a confirmation letter this week. We may have a small number of places available for anyone who is interested.

Covid Update

As cases of the Omicron variant spread, we are being extra cautious in school. Staff are wearing face coverings in communal areas and are carrying out regular LFTs. Visitors on site are also required to wear face coverings. Staff and pupils wash their hands and sanitise at frequent intervals throughout the day.

We currently have cases in the school community so I urge everyone to be vigilant. If your child has symptoms, please keep them off school and arrange for them to have a PCR test.

If a member of the household tests positive, the local guidance from the Director of Public Health gives two options:

- 1) The child/ren should isolate for five days, taking an LFT on day 5 (this is widely considered to be the default option).
- 2) The child/ren should take an LFT before attending school each day.

Please get in touch if you have any questions or if anything requires clarification.

Thank you to everyone for following the published national and local guidance in order to keep our community safe.

Don't Throw Away That Soap Dispenser!

Class 1 staff are on the lookout for a number of used soap dispensers as they work brilliantly in the painting area. It's also environmentally friendly to reuse them of course, so please send them our way when they become empty.

Diary Dates

From **Wed 26th Jan**
Sat 29th January
Fri 11th February

Class 3 will have three weeks of multi-skills sports in PE.
Matchday: CUFC vs. Sutton United.
Last day – the half term break starts after this date.
