Letter to Applicants – 1:1 Teaching Assistant 2023

Dear applicant,

Thank you for your interest in the above position.

Bowness-on-Solway Primary is a unique school. Set in a truly beautiful environment, it has an atmosphere that is all its own. We have three small classes here. Pupils and staff are kind and polite. Our governing body cares deeply about everyone here and will do everything they can to support.

Visitors routinely tell us how much they enjoy visiting us; it's important to me and to all of the staff that everyone feels welcome and that this is a happy environment.

Staff who join Bowness School tend to stick around, so it is rare for a position to come up. We are looking for a teaching assistant to work largely 1:1 with a pupil entering key stage 1. However, there will also be opportunities to support the learning of other pupils.

If you have any questions, please ask. If you have not yet had a chance to visit, feel free to contact me for a tour.

Yours sincerely,

Stuart Walsh
Headteacher
