## APPEAL FOR OUTDOOR TOYS AND GAMES

We are seeking to develop our outdoor play resources.

This is an appeal for any quality resources that you may have access to or that you no longer use, which could be used by our children at playtimes.

We are particularly interested in good condition:

- Quality storage boxes / units;
- Scooters, bikes, toy cars / trucks / tractors and other things with wheels;
- Puppets and dressing up;
- Space hoppers, skipping ropes and other things involving bouncing;
- Football, tennis, basketball and other sports equipment.

If you would like to donate something, please get in touch first and we will let you know if it is something that we can make use of.

## CHARITY UPDATE

We are delighted to be presenting a cheque to Mark from Cumbria Cerebral Palsy this week. Our community raised over £800 for the CCP last year!

Our new charity for the year is Special Effect who provide classroom robots for sick children who can not attend their lessons in person. We are having a coin trail on the morning of Friday 25th October. Please send in your spare change and we will line it up to see how far it goes, before we send it to this worthwhile cause.

## FOREST SCHOOL

Reminder that there is no forest school session this Wednesday 16th October.

Our final session of this block takes place the following Wednesday 23rd October.

## STAFF SHOUT-OUT

I have no doubt that you join me in expressing our gratitude to our thorough and dedicated school cleaner June.

The place is always sparkling when June has been around. She has the highest standards and does not stop until she is happy with everything!

June even comes in and does extra for us on a regular basis.

Thank you June! We would seriously struggle without you.
