Sustainability & Responsibility Medal (SRM) Challenge

We had some super responses to our Christmas challenge! Our children and families have shown a commitment to the environment by repurposing, recycling and saving energy! Everyone involved will score bonus points on their Record Log (see below for more on that).

We also have a winning logo design and an excellent runner-up! See our Facebook page for more details.

Every child has received an SRM Record Log. Keep these safe (just like your Reading Rocket) and parents/carers can enter the date the tasks is completed. Big prizes will be awarded to our highest scorers – and everyone who takes part will be rewarded!

Come On The Cumbrians!

We are greatly looking forward to the CUFC match against Newport County this weekend. Those who have signed up should meet at 13:30. Remember to wrap up warm as I know from experience how cold it can get at Brunton Park! Don't forget to bring your best singing voices.

Tullie House Visit and Zoom

Thanks to Miss Graham for arranging a visit for our Kestrels. Pupils spent the day learning about local history by visiting a range of sites from Carlisle to Port Carlisle (or Fishers Cross as it was of course formerly known). Practical, outdoor learning like this is always an excellent way to do it!
