Sports Events

Children continue to engage in regular sporting activities at Bowness School. On Thursday 26th Jan, our eldest children took part in a tag rugby tournament at Nelson Thomlinson. We have some brilliant rugby players and they did a great job, representing the school in an appropriate manner as always and enjoying their afternoon. Next up: Quick Sticks on 9th Feb for a selection of lower KS1 pupils.

Toddler Group

We are looking to relaunch our toddler sessions and would love to know preferred days and times for local residents with little ones. Do you know anyone with preschool children who could benefit from these weekly sessions? Please let us know – or ask them to contact us at school.

150th Celebrations!

Did you know that next year (2024-25) will be the *one hundred and fiftieth* year of Bowness School on this site?

Guided by local historian and school governor Sarah Lee, we are looking to make a connection with former staff and pupils from back in the day. You might know someone who we could talk to, or who has some old photographs or noteworthy items or memories.

Please get in touch with us if you can help.

5 Stars for Judith

Our school has received the highest possible hygiene rating for the kitchen. Well done to Judith and the outstanding job that she does, catering for all of our pupils!

To minimise food waste and ensure that all pupils are happy and well-fed, I am asking parents & carers to please check the menu with children to ensure that you are aware of what the meal consists of on that particular day. Pupils can not change their mind or make last-minute requests at lunch time.

We have prior arrangements for children with special dietary requirements - please be assured that this will continue.

Times Tables Rock Stars!

We are now a TTRS school. How cool to have a school full of rock stars on Wed 25th! I've never seen so many pairs of dark glasses and leather jackets in one place. Children in Years 1-6 have been sent home this week with login details and these have also been emailed out. TTRS now forms part of daily homework for those children.

Recent Happenings in School

All children greatly enjoyed the Samba Bamba workshop on 18th January.

On Friday 20th, Bill from Doosan.com spent some time exploring dream jobs with pupils in Years 2-6.

Our school diary is always full!

Attendance

Well done for keeping up the good attendance!

It's great to see different classes winning the trophy, which they get to display proudly in their classrooms for a week.
